

## SWEPT BY STORMS

SIX PERSONS KILLED AND SCORE INJURED BY TORNADES IN IOWA.

### THE VICTIMS AT GLENWOOD

ALL WERE INMATES OF THE SCHOOL FOR THE FEEBLE MINDED.

Des Moines, Ia., May 27.—Iowa has been storm-swept for the past twenty-four hours. Three tornadoes, two Monday night and one Tuesday, resulted in the loss of six lives, the fatal injury of three, and the serious injury of a score of people besides great property loss.

The dead are: At Glenwood—Maggie Bietner and Hazel Wright, of Adara, Ia. Near Buxton—Georgia Blakley and Herbert Rhodes. At South Des Moines—Russell A. Knauf, and his eight-months-old son, Floyd. The injured are: At Glenwood—Mary Eckert, Anna Delaney, Myrtle Dickinson, Etta Newton, Harrison Johnson, and Rella Rathbun. Near Buxton—Mollie Rhodes, Mollie Rhodes, Eliza Blakley, all fatal; Amy and Minnie Blakley. At Seward—Lucy, George and Addison Rhodes, Buddie Reasby, and Mary Walker. At South Des Moines—Mrs. Knauf, Mrs. Margaret Boston, Charles McNutt, Mrs. John McCoy.

The victims at Glenwood were all inmates of the school for the feeble-minded.

#### All Buildings Damaged.

The tornado first struck the girls' dormitory, commonly known as the old building. The roof was torn off and with a terrible crash fell back again upon the wrecked building. All of the buildings of the group, including the hospital, dormitory, boys' building, custodian's building, farm colleges, and the boiler room, were more or less damaged by the storm. The superintendent estimates the loss at \$75,000. There is no insurance.

The buildings of the institution are situated on a slight rise and were a mark for the heavy wind which swept down on the structure with terrible fury.

The girls who were injured are being cared for in the hospital, which is practically intact.

At Buxton all the victims were colored. The destructive wind seemed to descend suddenly from a great bank of clouds which was sweeping toward the Northwest. The houses occupied by the Rhodes and Blakley families were smashed to kindling wood.

#### Damage at South Des Moines.

The tornado struck South Des Moines at 6 o'clock at night. It came from the South, but after the greater part of the destruction was wrought over to the Northwest as it approached the junction of the Des Moines and Raccoon rivers. The property damage in South Des Moines and vicinity will reach \$50,000. The Knauf home and the Christian church were completely wrecked and about forty other buildings were badly injured. About the same time what was apparently another storm struck the packing house section of town a mile to the northeast of the scene of the South Des Moines disaster. In this locality the Agar Packing company, Des Moines Elevator and Des Moines Malt house plants were the greatest sufferers, although a large number of other buildings were damaged. The loss in this section cannot be estimated. High winds prevailed all over the city and minor losses were general.

#### Heavy Rains General.

During the past twenty-four hours heavy rains have been general over Iowa. At Des Moines 2.08 inches of

water fell. A cloudburst at Adel in the afternoon caused a precipitation of more than five inches in a few hours. Heavy rains are reported from Webster City and other points. The upper Des Moines river is rising rapidly and a repetition of the flood conditions of last June are feared. Iowa railroads suffered severely from the excessive rainfall. A landslide occurred north of Howell Station on the Wabash, and the engine on passenger train No. 1 rolled down a twenty-five-foot embankment. The air brakes stopped the train before the passenger coaches reached the sunken section of the track and both the engineer and fireman escaped by jumping.

A tornado passed through Butler county, doing considerable damage at Sherlock and Allison. At the former place an elevator was blown down and four railroad workers were injured, one of them fatally.

#### TORNADO IN MICHIGAN.

Five Persons Injured and Considerable Property Destroyed.

North Branch, Mich., May 27.—A tornado passed over this section late in the afternoon, entailing a property loss that will amount to thousands of dollars, and injuring five persons.

Reports from Decatur, Reading, Lansing, Coral, Emmett and Decker-ville say the storm did much damage in those localities.

#### MINNESOTA TIMBER.

Immense Sum to Be Realized From Sale of That on Indian Lands.

Washington, May 27.—Advertisements for the sale of timber on 18,000 acres of land owned by the Chippewa Indians in Minnesota, have been prepared by the commissioners of the general land office and will be published soon. This advertisement will be followed by another covering 200,000 acres. It is estimated that the proceeds from the sales will aggregate \$10,000,000 or \$15,000,000. The proceeds of the sale will go to the Indians.

### MAKES A STATEMENT

SENATOR HANNA SAYS HE WILL

NOT OPPOSE RESOLUTION ENDORSING ROOSEVELT.

Cleveland, O., May 27.—Senator Hanna has decided to offer no further opposition to a proposed resolution in the coming state convention endorsing the candidacy of President Roosevelt for another term. This action was decided upon late in the afternoon. When asked if he had heard from President Roosevelt with reference to the decision concerning his attitude in connection with the resolution, Senator Hanna made the following statement:

"I am in receipt of a resolution from the president, which indicates to me his desire to have the endorsement of the Ohio state Republican convention of his administration and candidacy. In view of this I shall not oppose the resolution and I have telegraphed President Roosevelt to that effect."

Senator Hanna declined further to discuss the subject.

Senator Foraker, who is in Washington, said he was very much gratified at the action of Mr. Hanna.

#### SAYS IT WAS AN ACCIDENT.

Louis Nelson Kills Oscar Frederickson at Homestead, Wis.

Milwaukee, May 27.—A special from Florence says: Oscar Frederickson was shot and instantly killed at Homestead, this county, by Louis Nelson, who was arrested and brought to this city, where he is now in confinement awaiting the verdict of the coroner's jury. The weapon was discharged during a scrimmage. Nelson claims the affair was an accident.

#### Kills His Wife.

Wheeling, W. Va., May 27.—Samuel Ashby of Portland killed his wife at their home there.

## NINE PERSONS DEAD

TORNADO PRACTICALLY WIPES OUT THE LITTLE TOWN OF ELMO, MO.

### PEOPLE HAD NO WARNING

STORM SWIFTLY DOES ITS WORK AND GOES OUT INTO THE COUNTRY.

Blanchard, Ia., May 27.—A most destructive and fatal tornado struck the town of Elmo, Mo., eight miles south of Blanchard, and just across the Missouri state line, at 5 o'clock in the afternoon. Nine persons were killed outright and five were injured, some of whom may die.

The dead are: C. C. Calhoun, Cassius Bell, J. J. Alvis, Leonard Bradley, Minton Huff, Gus Huff, Oren Strangler, D. L. Starker and George Perry.

Ed Atherton, George Huff, Al McElvain, Harry Moss and Elmer Morgan were injured.

The storm came from the northeast and first struck the Wabash depot. The Masonic Temple was the next building in its path and it was demolished. On the lower floor of the temple was located a general merchandise store, and in the store was gathered a number of the citizens of the town. The building was torn to pieces before any warning was received and the victims were buried beneath the wreckage. Of the fourteen persons in the store,

#### Only Five Escaped Death,

and these received injuries which in two or three cases may prove fatal.

The storm passed on through the town, leaving but a few buildings standing. A relief party at once began the rescue of those in the ruins of the temple and nine bodies were removed to an improvised morgue. Five others were taken out, some with broken legs and arms, and in each case serious, if not fatal, injuries.

The storm came on with great suddenness and had destroyed the town almost before the people realized what had happened. After leaving Elmo it continued into the country in a southwest direction and it is feared more fatalities have occurred. Several dwellings are known to have been blown to pieces, but the fate of their occupants is unknown. A deluge of rain added its share to the misfortune of the stricken people, and at night the homeless inhabitants are being cared for at the few remaining homes that escaped the fury of the wind.

Elmo is a small town on the Wabash railroad branch running from Brunswick, Mo., and has about 200 inhabitants.

#### SERIES OF STORMS.

Nebraska Visited by Two More Tornadoes.

Omaha, May 27.—Eastern Nebraska was visited by another series of storms Monday night and Tuesday, several of which developed into small tornadoes. One visited Hastings, near which place was the scene of Sunday's heavy storms and reduced buildings to splinters.

Another struck twenty miles north of Omaha and the scene of the tornado four years ago which killed eight people. The home of D. Harris was demolished and Mr. Harris, his wife and a child were seriously hurt.

Omaha also received a storm which blew several houses from their foundations and unroofed others in the southwestern part of the city. Accompanying the severe wind in each instance was a rain storm of unusual severity and as a result several towns in East Nebraska are flooded, Springfield, Papillion and Plattsmouth reporting the worst conditions.

The financial loss has been heavy and estimates place it at several hundred thousand dollars. One of the most severe storms was at Davey, a small town northwest of Lincoln, which resulted in the injury of 13 persons, none fatally. The report received from there states that every dwelling and outbuilding in the town was wrecked. The storm originated in Lincoln shortly after 6 o'clock and did a great deal of damage in that city, the damage being estimated at \$100,000. The storm split. The portion that struck Davey was seen by the people of that town, most of whom were able to seek safety in cellars. A deluge of rain accompanied the storm and flooded the little town, which was strewn with debris.

In East Lincoln a number of buildings were unroofed or moved from foundations. The flood was disastrous at Springfield and six families barely escaped drowning. Several dwellings were carried away by the water. A number of other towns, including Raymond, Blair, Valparaiso, Belvoir Cross, Ing, Ashland and Fremont received more or less damage.

The local weather bureau there have been reports during the past twenty-four hours of seven distinct tornadoes varying in severity.

#### Mill and Dwellings Burned.

Malone, N. Y., May 27.—The Malone Paper company's mill was destroyed by fire at night. Seven or eight dwellings also were burned.

#### GOT BEYOND CONTROL.

Relief Train Crashes Into a Wreck and Kills an Injured Fireman.

St. Louis, Mo., May 27.—A Chicago and Northwestern train was wrecked near Hawarden by a washout. The engineer and fireman jumped. The injured fireman, Thomas Fisher of Eagle Grove, Ia., was placed in the rear coach. A relief train from Hawarden got beyond control of the engineer and crashed into the wrecked train, killing Fireman Fisher. The engineer was not seriously hurt. The passengers escaped with a shaking up.

#### MILLIONS FOR ALFONZO.

King of Spain Inherits Large Fortune From His Grandfather.

London, May 27.—A special dispatch from Madrid says King Alfonso has inherited \$7,500,000 under the will of his grandfather, King Francis. The will was opened about a month ago. In accordance with the desire of King Francis that it should not be read until twelve months after his death.

Don Francis d'Assasi, Duke of Cadiz, who married his cousin, Queen Isabella II of Spain, Oct. 10, 1846, and was the same day proclaimed king of Spain, was the father of the late King Alfonso XII, father of the present king of Spain. Queen Isabella, July 25, 1870, formally abdicated the throne, in Paris, in favor of her son, the late King Alfonso. Don Francis died at Epinay, France, April 16, 1902.

#### PERISH IN A GALE.

Twelve Men of the Peerless Lost During Severe Storm.

St. Johns, N. F., May 27.—The severe gale which swept the coast last Sunday did much damage to the fishing vessels on the Grand Banks. One vessel, the Peerless, of Lunenburg, N. S., has run into this port and reports having lost twelve men during the storm. Other fishing boats report smaller losses.

#### Indicted for Inciting Suicide.

Chicago, May 27.—Colonel Edward T. Jordan of Galesburg, Ill., was indicted by the grand jury for inciting Mrs. Roma Snowball to commit suicide. He was charged with murder. Colonel Jordan was held to the grand jury on testimony of Mrs. Snowball's husband, who testified that by his letters and otherwise he induced the woman to take her life.

#### Visit Public Buildings.

Washington, May 27.—The members of the Minnesota Editorial association who are visiting Washington, spent Tuesday visiting the public buildings and points of interest about the city. Today they visited the suburbs of Washington.

#### WORST IN ITS HISTORY.

Flood at Salina, Kan., Renders Hundreds Homeless.

Salina, Kan., May 27.—This city is experiencing the worst flood in its history. Fully 100 families have been driven from their homes and the extent of the damage is estimated to be hundreds of thousands of dollars. Another rain fell at night, making four inches of rain that has fallen during the past twenty-four hours. The northwestern portion of the city is entirely submerged, and women and children were rescued from their homes in boats. The Missouri Pacific grade on the west is holding back a large and threatening body of water. If the water succeed in crossing the tracks, the entire western portion of the town will be under water. A passenger train on the Lincoln branch of the Union Pacific is held between two washouts two miles north of here. The passengers were brought to this city on handcars. The Union Pacific tracks for three miles west of here are washed out. The Union Pacific station here is surrounded by water and the railroad yards are flooded. The entire district for miles northwest and southwest from the station is flooded. As far as the eye can

reach the wheat fields have been transformed into a great lake of raging water. Crops are ruined and homes deserted.

#### FATAL GAS EXPLOSION.

Four Men Killed and Two Badly Burned at Federal, Pa.

Pittsburg, May 27.—Four men were killed and two badly burned by an explosion of gas in the mines of the Federal Coal and Coke company at Federal, a mining town. The mine is but slightly injured.

The dead are: William Neilson, James Neilson, Jacob Salor, Joseph Smuck.

Sixty men were at work in the mine at the time of the explosion, but because of the fact that the accident occurred in a portion of the mine that had not been used for several days, all escaped except those mentioned above. The cause of the accident was the explosion of gas brought about by a blast in the "tunnel" where a dip in the coal roadway was being removed. The tunnel had not been used for several days and gas had accumulated. The dead miners were horribly burned.

THERE are those who object to Cole Younger taking advantage of his liberty and parading in front of his own circus.

SENATOR HANNA will not oppose the endorsement of Pres. Roosevelt by the Ohio state republican convention. It's bound to be unanimous.

YOUR gasoline can must be painted red after July 1 in order to comply with a law passed by the last legislature—benzene ditto. And it isn't necessary to paint the town red in order to be sure that these cans get their full quota.

THE business men of Parker's Prairie, in Otter Tail county, are fighting the Soo road and refuse to move to the new townsite. For 25 years the people have longed for railroad facilities but they won't move up a half mile to enrich a townsite company.

THERE are probably those who do not know that the dandelion is one of the weeds that is under the ban of the law, and as the plague is upon us and the blossoms are showing in all their yellow glory and play havoc with the pretty lawns about the city it is timely that some steps be taken to get rid of the pest. Owners of property can at least cut off the blossoms, if they cannot exterminate the plant, and thus prevent the scattering of seed which will multiply the pest more than ten fold.

On June 9th, 10th and 11th the state firemen's convention will be held in this city and during these three days four hundred delegates from different parts of the state will be here, every town or city having a fire department will be represented. Let this be an incentive to every property owner in Brainerd to clean up his premises, remove the old rubbish to some out of the way place and see that the lawns are cut and the grass and weeds in the streets adjacent to their property are leveled. The city will receive much advertising from this convention and it is hoped that our citizens will see the advantage of putting on a neat and tidy appearance.

UNDER MILITARY CONTROL.

Jail Containing Jett and White Guarded by State Troops.

Jackson, Ky., May 27.—Judge Redwine of this city has issued an order placing the jail under military control, and Jailer Spencer turned over the keys to Colonel Williams. Jett and White were not allowed to converse with one another and occupy separate cells.

The capture of Tom White and the return of Curtiss Jett to Breathitt county were events of the day on which chief interest focussed. At night the question of whether more troops are needed is agitating the minds of many. There is a well defined belief that when Jett and White are put on trial there will be a confession and a number of public men may be implicated. It is said that an army of men could be quickly gotten together in Breathitt county. It is true that desperate things have been done in Breathitt county and this view may not seem as intemperate elsewhere. At any rate, Mrs. J. B. Marcum, her friends and a number of citizens are urging that more troops be sent, believing that the men now here and scattered among various stations could not cope with a mob of mountain men. A consultation among officers was held, but further than ordering another Gatling gun from Louisville, there is no indication that reinforcements will be requested.

TELEGRAPHIC BREVITIES.

It is rumored that bubonic plague has appeared at the seaport of Iquique, Chile.

An expedition has started through Mindanao, P. I., in search of an alleged roving white colony.

The national convention of switchmen adjourned after having decided to meet at Indianapolis two years hence. The Minnesota Eclectic society, which has been holding its annual meeting in Minneapolis, has adjourned.

Mrs. Agnes Ethel Tracey, who as Agnes Ethel was known on the stage three decades ago, died at New York Tuesday.

Fred Gilbert of Spirit Lake, Ia., was high gun at the first day of the DuBuque Gun Club's tournament. He made 168 out of a possible 180.

NOW UNDER ARREST.

JOSEPH BECKER ACCUSED OF HAVING THREATENED TO KILL ROOSEVELT.

Walla Walla, Wash., May 27.—Joseph Becker, a radical socialist, is in the city jail here on suspicion of having intended to kill President Roosevelt. The episode was kept quiet until after the president's departure.

Becker is accused of having remarked in Pendleton, Ore., last week that he had one bullet for President Roosevelt and another for Emperor William of Germany. He left for Walla Walla with a Winchester and his Pendleton partner, Pat Kine, followed him here, notifying the police. Becker was located working in a butcher shop. He was arrested and on being sweated disclosed the location of his rifle, which was cached away in a farmer's barn along the line of march. Becker is a Swiss. The police here think that a tragedy was narrowly averted.

Spokane, Wash., May 27.—President Roosevelt doubled back into Washington from the Coeur d'Alene mining camps of Northern Idaho. The party encountered inclement weather in the mining towns. The greatest crowds even gathered in Spokane greeted the president. After a carriage drive over the city the president spoke to the people of Spokane and surrounding towns. The party left Spokane a little after 6 o'clock for Montana cities.

President Roosevelt's rest was disturbed at Starbuck at 12:30 a. m. by the discharge of firearms of various sizes, the blowing of horns and the shouting. The demonstration was kept up until the train left. The president did not show himself.

HOME MISSIONS.

Subject Occupies Attention of Presbyterian General Assembly.

Los Angeles, Cal., May 27.—The subject of home missions occupied the morning session of the Presbyterian general assembly. The Rev. Dr. Holway of New Jersey, chairman of the board of home missions, presented the report of that committee.

The report of the standing committee on aid for colleges was considered in the afternoon.

Moderator Coyle has announced his appointments of chairman for the various boards and standing committees. A resolution condemning the recent massacre of the Jews in Russia was adopted.

The W. C. T. U. sent a resolution to the Presbyterian general assembly, which is as follows:

"Resolved, That we condemn the practice of Christian ministers and people stopping at hotels where liquor is sold and the employment from such hotels of caterers to serve in the case of social functions and banquets."

DEFEATS BOTH OLD BOATS.

Reliance Has a Hard Struggle With the Constitution.

New York, May 27.—In a gamely contested race the Reliance again Tuesday led the way across the finish line, winning her second victory over the Columbia and her first over the Constitution. Two minutes and fifty-one seconds later the Constitution finished, and the crew of the new boat gave her such a cheer as she deserved. The Constitution had sailed a plucky race and had a right to share in the honors. From the start to the finish she had fought out every mile over the thirty-mile course and on two of its legs had actually out sailed the new boat, a performance which restores her prestige imperilled in her disappointing showing in the drifting match last Saturday, and makes her a factor to be reckoned with in the selection of a cup defender.

The Columbia was, for the day, outclassed. From the very start she was never for a moment in the race. While the Reliance and Constitution were having it out between themselves all the way around the course the former cup defender was dragging along miles astern of them and when the Reliance sailed across the finish line the Columbia was more than two miles almost dead to leeward. The Reliance beat her by fifteen minutes and fifty-one seconds, actual sailing time.

The wind held true at 9 to 12 knots during the race and favored none of the racers. The conditions were ideal for a fair test of the three boats and the race was devoid of the drifting fetters which marred the two earlier races.

The course was twice around a 15-mile triangle, and twelve-knot breeze was snapping the bunting of the yachts at the starting line when the three sleek racers gathered there and jockeyed for position.

BANQUET TO LIPTON.

Scotchmen Wish Sir Thomas Success With His New Boat.

Greenock, Scotland, May 27.—The corporation of Greenock gave a farewell banquet Tuesday to Sir Thomas Lipton. A distinguished company was present and much enthusiasm was manifested. The chairman, Provost Anderson, in toasting Sir Thomas, wished him every success. Sir Thomas, replying, said he was convinced the cup challenger was by far the best boat ever built on this side. He believed that if he brought back the cup he would bring with it the friendship of the American people.

### THE BIG CONTRACT

Bids Opened by Board of Education for Erection of School Buildings.

HE WAS THE LOWEST BIDDER.

His Total Bid for Additions to Lowell and Washington Buildings is \$36,122.

There was a meeting of the board of education last night called for the purpose of opening bids for the erection of the additions to the Washington and the Lowell school buildings, for which \$40,000 bonds were voted at a mass meeting of the taxpayers and others of the Brainerd school district at the Washington building in March of this year.

Architect Wagenstein, of Duluth, was the man who made the plans and prepared the specifications and he was present at the meeting to assist the board in matters on which they would need enlightenment.

In all there were six bids in, two of which were from contractors in the city, the balance being from contractors at Duluth and West Superior. The bids submitted were on the additions to the above school buildings, not including the heating and the plumbing.

The following were the bids:

Berg & Olson, West Superior, on the Washington addition \$27,442; the Lowell \$10,897.

C. E. Evans, Duluth, on the Washington \$28,775; on the Lowell \$9,970.

George E. Kretz, Brainerd, on the Washington \$27,652; on the Lowell \$11,095.

L. D. Campbell, Duluth, on the Washington \$29,875; on the Lowell \$11,314.

John Donlin, West Superior, on the Washington \$27,684; no bid on the Lowell.

C. B. Rowley, Brainerd, Washington \$25,450; Lowell \$10,672.

After the bids had been read the board went into executive session which lasted perhaps about five or ten minutes. The board after opening the doors again proceeded to dispose of the bids. On motion of S. L. Bean the contract was awarded to C. B. Rowley for both buildings. Mr. Rowley's bid for both buildings is \$36,122.

On this point some one asked the architect about what he thought it would cost to put in the heating and plumbing. He stated that approximately it would cost about \$8,000. Of course some of the members of the board thought things could be shaved down a bit in this instance and that the plumbing and heating would not run up to this amount.

From the figures given by the architect it would seem as though the board was slightly up against it and that the cost of the two additions would exceed the \$40,000 bonds voted at the meeting in March.

Mr. Rowley's contract calls for the completion of both buildings by the first of September, or the opening of the school year.

#### BRIEFLY TOLD.

Not Necessary to Leave Brainerd for Proof—You Have it Here.

Endorsement by residents of Brainerd.

Positive proof from Brainerd people.

Briefly told for the public good.

Such is the following testimony: Mr. R. D. Ransom, of Third Ave., East Brainerd, fireman for the Brainerd Lumber Co., says: "For as long as twelve or fourteen years I was a sufferer from kidney ailment. My back hurt me awfully; I could stoop but when I attempted to rise, severe pain caught me in the loins. Often in bed I could not change my position and when morning came I had to be helped out of bed. The kidney secretions were of a very unhealthy color and were otherwise irregular. I commenced using Doan's Kidney Pills and one box did me so much good that I took another. The treatment cured me."

Sold for 50 cents a box, at H. P. Dunn & Co. and all druggists. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

## IT IS CAPTAIN HEFFNER.

Election of Officers of Company F Held Last Night in Gardner Hall, Conducted by Major Resche.

There was a full attendance at the meeting of Company F last night at Gardner hall, the same having been called for the purpose of electing officers to fill vacancies caused by resignations. The election was conducted by Major Resche, of Duluth, who also held battalion inspection.

Lieut. J. M. Heffner, placed in command of the company recently by Col. VanDuzee, was elected captain without opposition. Walter Delemere was elected first lieutenant and Peter Wolvert second lieutenant.

Company F is now in a fair way to reach the high standard which it once enjoyed. Some time ago when Capt. Nelson was in command of the company and still further back when Capt. Adair was in command, Company F was recognized as one of the best companies in the national guard of the state.

Under the captaincy of S. R. Adair the company went to the Buffalo exposition, being one of two or three companies in the entire regiment who raised the necessary amount of money.

Major Resche spoke encouragingly of the present status of the company and has every hope that there will be new life and more interest than ever since the new officers are elected.

Capt. Heffner is well qualified to fill the position to which he has been elected. He served in the Philippines during the late unpleasantness and is an old national guard man. It was through the solicitation of Col. VanDuzee, commanding the regiment, that Capt. Heffner was first induced to take command of the company.

#### P. S. STILLINGS DEAD.

Father of Engineer Stillings Succumbs to Heart Trouble at His Farm Home—Funeral Friday.

P. S. Stillings, one of the oldest residents of Crow Wing county, coming to Brainerd twenty-five years ago, died yesterday at his home three miles south of the city.

Deceased had been suffering from heart affection for some time and it was feared that he would be suddenly taken off some day.

Mr. Stillings came to this city from Fond du Lac, Wis., twenty-five years ago. He was born at Lancaster, N. H., in 1832, and was therefore seventy-one years of age. He was a man of quiet disposition and made but few enemies during his long life in Brainerd. He made friends on all sides and died an honorable and respected citizen.

Deceased leaves but one son, besides his beloved wife, to mourn the loss, Engineer F. D. Stillings, of the Minnesota & International.

The funeral services will be held on Friday afternoon at 2:30 o'clock, from the home of his son, F. D. Stillings, 224, Ninth street north.

## MUSIC AND DRAMA.

### "MAHARA'S MINSTRELS."

One of the novelties in minstrelsy this season and a leading feature with the Mahara minstrels is the appearance in the first part of some clever lady vocalists, graduates of the famous Dunavan musical college where all high class colored musicians are educated. It is an acknowledged fact that the singing feature of this organization compares favorably with the best colored shows on the stage today. It has always been the endeavor of Mahara Brothers to excel in singing features and these ladies aided by male voices in grand chorus certainly proves that the management has struck the key note to success.

Mahara's challenge band and orchestra will give a street parade on Friday afternoon the day the show appears at the Brainerd theatre.

#### MISS RICHARDS.

"It has been my privilege to have been a pupil in Theodore Leschetizky's class in Vienna and I shall always be thankful for the opportunity I had of coming in frequent contact with this great master, writes Miss Ella Richards to the Ladies' Musical club.

"It was always a privilege to have a lesson from Leschetizky but not always a pleasure. He is capricious and a man of innumerable moods, small of stature with an intensely nervous temperament and a face constantly changing in expression, one moment sunny and bright the next dark and stormy. When his mood was cheerful our lessons were usually satisfactory, but as was frequently the case, if he happened to be sulky and irritable, alas! for the poor pupil, his lesson was more than likely to be a dismal fiasco. Mark Hambourg and Gabilowitsch, those two remarkable young Russian pianists, were both in Leschetizky's class when I was there. Hambourg especially was a great favorite with the master. Leschetizky is undoubtedly the greatest living piano teacher—no one but Liszt has turned out so many magnificent artists as the Vienna master. He is a superb pianist himself but his greatest success has been as a teacher. He certainly has unusual genius in that line.

#### "CAPRICE."

No more winsome and pleasing character can be imagined than that of "Miss Baxter," the sweet and innocent maiden, in "Caprice," which will be presented at the Brainerd opera house on Saturday evening, Memorial Day, by an excellent cast of characters, selected from among the best talent in the city. Miss Mina Adams will take the part of Miss Baxter and she is said to be very pleasing in the portrayal of the role. W. S. Cox makes an ideal Jake Henderson, C. A. Allbright is good in the role of Mr. Baxter, and Chas. Wilson is always good in a part like that of the eccentric Philander Potts. Others in the cast who are sure to please are Miss Mayme Carney, Miss Carrie Tyler, Miss Winnie Smith and Messrs Ed Murphy, Will Ady and W. W. Bane. The play is being put on under the auspices of Hope Hose Company No. 1, for the benefit of the fund for the firemen's tournament.

#### MUSICAL FESTIVAL.

The pupils of the St. Benedict sisters will give their musical festival on the evening of June 5 at the Brainerd opera house. The program of this excellent musical feast has been published in the DISPATCH and all are aware of its merit. A rehearsal was held at the opera house yesterday afternoon and everything seemed to go off very nicely. The best talent of the younger class of young people in the city will take part in this musical.

Apple, plum, peach and quince butter in small jars at Bane's.

#### Memorial Day at the Postoffice.

Saturday, May 30th, Memorial Day, the general delivery window at the postoffice will be open from 9 until 10 a. m. and immediately after the distribution of the afternoon mail for one hour.

The carriers will make but one delivery and that in the forenoon.

No money order or registry business will be transacted.

Don't forget to come and see the glass blowers to-night, at 497, 7th St. The admission will be 15c and all who attend will receive a present.

## FURNISHES EVIDENCE

**JOHN J. RYAN TELLS OF GIVING  
MONEY FOR THE USE OF  
THE MAILS.**

**OPERATED A TURF COMPANY**

**FRAUD ORDER ISSUED AGAINST  
HIM ON REFUSAL TO PAY SEC-  
OND TIME.**

Cincinnati, May 27.—John J. Ryan, whose confession caused the arrest of D. V. Miller, assistant attorney general of the postoffice department at Washington, and of Joseph M. Johns, prosecuting attorney of Parke county, at Rockville, Ind., operated his "get rich quick" turf investment concern from here and from St. Louis and ran winter races at Newport, Ky. Other warrants have been issued as a result of the investigation of the postoffice inspectors. Ryan is here now and says: "I was sore because I heard others doing business like mine stood in with the postoffice department by giving up \$25,000 and I felt that those who were standing in with the department were behind the investigation so as to get me out of their way."

After returning from Washington to St. Louis last November Ryan says he got a telegram from Attorney Johns of Rockville, Ind., that Johns could be of service to him with the department at Washington and later Ryan and Johns met in Terre Haute, Ind. There, Ryan says, Johns explained how close he was to Miller and how Miller had accepted a \$2,000 job in the postoffice department at Washington with the idea that the job had certain "trimmings."

Johns Wanted \$5,000.

Ryan declared Johns asked \$5,000 to get from Miller a letter from the attorney general's office showing Ryan was entitled to use the mails. After a little dickering Ryan says Johns came down to \$2,500 and the proposition was accepted. A proposition to pay \$2,000 for literature so worded it would pass muster if it was ever taken up in the mails was later accepted.

Ryan asserts Johns delivered the letter and literature to him Dec. 16. Ryan says he gave Johns \$1,100 cash and checks dated Dec. 17, one for \$2,000 and one for \$1,400.

Then Ryan says everything went along smoothly until the trouble of Feb. 9. A week later a fraud order was issued against him and Ryan says an effort for another "shakedown" was put on foot, but he would not stand for it. He says he received more telegrams from Johns. Ryan says he preserved all the telegrams and letters.

The warrants for Miller at Washington and Johns at Rockville were drawn up here last Saturday by United States Attorney Bundy and his assistants on information by postoffice inspectors who have a great mass of documentary evidence, notably a letter to John J. Ryan, from George A. Christianity, acting assistant attorney general for the postoffice department, informing him that the investigation satisfied the Washington officials that he was entitled to the use of the mails.

No Warrants for Ryan.

No warrants will be issued for Ryan, who has not only made a full statement to the inspector but also furnished copies of letters and telegrams. The postoffice officials claim to have a complete chain of evidence for District Attorney Bundy to present to the next federal grand jury.

Ryan says he was told that if he put up \$25,000 for a certain senator the postal department would stand by him, but he declined the proposition. Mr. Johns was arraigned before Commissioner Higgins at Terre Haute, Ind., and gave bond for \$1,500 for his appearance before Federal Judge Anderson at Indianapolis, June 25. The warrant under which he was arraigned charged conspiracy to receive personal compensation for services to divers persons in which the United States was interested.

Daniel V. Miller has left Washington for Terre Haute, Ind.

While the postoffice department cannot guarantee Ryan immunity it will put his service in turning state's evidence in the best light before the court. Miller had charge of the investigations of the Ryan case and prepared the letter which Acting Assistant Attorney General Christianity signed. This letter constituted the decision of the department.

## Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

THERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

**WINE of CARDUI** A million suffering women have found relief in Wine of Cardui.
